

The Give Back Program is Run Squamish's way of providing the Sea-to-Sky community with opportunities for creating a positive impact for all its individuals. Through grants and scholarships, the Program can better support a variety of programs and/or services that are of direct benefit to the broader community. Whether it is an athlete looking for assistance for their next adventure and goal or a key community establishment looking to expand it, the Program is willing to lend a hand. Individuals and businesses will be able to apply for funding from the Program through an online application.

Partnerships and financial support to the Give Back come directly from Run Squamish's partners and from event proceeds.
